Advance Features & Benefits

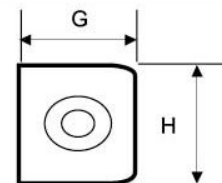

TOPAIRE Air Curtains

- TAC 300DC & TAC 400DC, adopting high efficiency centrifugal fans and motor delivering higher air velocity to separate the indoor and outdoor environments with powerful jet air flow and quiet operation.
- Aesthetically designed with super-slim & unique "FLAT" surface profile to suit any modern interiors such as restaurants, office lobbies, convenience shops, shopping malls, lounges, warehouses, factories, multi-purpose halls, etc.
- Isolate and retention function - provide effective barrier against external pollutants, unpleasant odours, heat, insects, etc. to maintain a clean and cooled indoor environments as well as saving in electricity consumption from your air conditioner.
- Three (3) speed fan selection - to cater for different door's height application within 3 to 4 meter air throw.
